PCRS 2023

Progenesis is committed to continued education and takes an active role in representing science in the field.

The Progenesis team participated in the PCRS conference, March 22-26 in Palm Springs. Our team made great connections & pushed our goal in democratizing access to patient care. Thank you to everyone who came to our booth & social event!

THE LABORATORY IMPACT

As a commitment to our partner clinics and labs, Progenesis is happy to provide complimentary on-site laboratory support for embryo biopsy, cell rinsing and loading and other clinical support, as needed for your lab or clinical staff.

Please contact Sheela Ali, PhD, HCLD/TS/CC(ABB), Sheela.Ali@Progenesis.com, to request a complimentary visit at your center.

For additional information or to partner with us, please contact Dr. Rajni Khajuria via email:
Rajni.Khajuria@Progenesis.com

Is your clinic interested in becoming a member clinic in Brazil or Latin Americas?
Please contact Alex Mejia via email:
Alexander.Mejia@Progenesis.com

Progenesis is excited to announce our upcoming webinar.
