

# PROGENESIS

## PROGENESIS' 8TH ANNIVERSARY

Progenesis was founded in 2015 by Dr. Nabil Arrach who took a novel approach at PGT-A via NGS in 2015. Since then, Progenesis has offered quality products to augment IVF treatments, globally. We have recently expanded our services into Brazil, Latin America and India. We are grateful for the support of our clinical partners, patients and our team members. Thank you for supporting Progenesis and including us in your patients' healthcare journeys!

Happy Progenesis 8th Anniversary!

## LABORATORY IMPACT

As a commitment to our partner clinics and labs, Progenesis is happy to provide on-site laboratory support for embryo biopsy, cell rinsing and loading, and other clinical support, as needed for your lab or clinical staff.

Please contact **Katie Lowe**, [Katie.Lowe@Progenesis.com](mailto:Katie.Lowe@Progenesis.com), to request a visit at your center.

## INDIA-ISAR 2023

Progenesis is excited to announce our official launch into India through our participation in 27th Annual conference of Indian Society of Assisted Reproduction (ISAR) in Bhopal, India on February 3-5, 2023. Progenesis will be presenting following lectures during scientific sessions in #ISAR2023 on February 4.

Come Visit us on our Booth #20 at #ISAR2023, where you will have an opportunity to learn more about our services, educational sessions, and our innovative research.

For additional information or to partner with us, please contact **Dr. Rajni Khajuria** via email: [Rajni.Khajuria@Progenesis.com](mailto:Rajni.Khajuria@Progenesis.com)

Speaker	Topic	Time
Dr. Nabil Arrach	Current Status & Future of Preimplantation Genetic Testing	2:30 PM to 2:45 PM

# PROGENESIS 1ST ANNUAL SYMPOSIUM

Progenesis is proud to announce our 1st Annual Progenesis Symposium with renowned speakers and engaging discussions. June 1-3, 2023

Registration opens February 13th: [www.progenesis.com/GENES](http://www.progenesis.com/GENES)

## PROGENESIS 1ST ANNUAL SYMPOSIUM

ALL FOR STUDY PARTNERS

Does your clinic SOP allow transfer of mosaic or segmental del/dup embryos?

We would love to collaborate with you! Progenesis has an ongoing study to include prospective and retrospective outcomes from these embryos.

Contact:

**Dr. Sheela Ali, VP of Science and Innovation**  
[sheela.ali@progenesis.com](mailto:sheela.ali@progenesis.com)

to express your interest in this or other studies with Progenesis.

## BRAZIL/LATAM

Progenesis is pleased to announce our official incorporation in Brazil. Progenesis is now recognized by The Brazilian National Registry of Legal Entities (CNPJ). Furthermore, this has allowed Progenesis to secure a Laboratory location and have begun strategic planning with local architects.

During this time, our Progenesis Brazil team has also secured partnerships with multiple clinics in Sao Paulo, further expanding the Progenesis brand.

For additional information or to become a member clinic, please contact **Alex Mejia** via email:
