REDLARA - MEXICO CITY

Progenesis is beyond excited to announce our official launch into Latin America through our participation at the Mexico 2022 REDLARA Taller Conference. We look forward to continuing our mission to democratize access to patient care & help new patients start healthy families.

NCARB DEC 2022

The Progenesis Team, Dr. Sheela Ali and Jordan McGuire were proud sponsors of Northern California Association of Reproductive Biologists.

Congratulations to our Progenesis Trivia Winners: Danny Dasig, PhD, HCLD and Shelby Wallace with Kaiser & Oleksii Barash, PhD, HCLD with Reproductive Sciences Center of the Bay Area.

LABORATORY IMPACT

As a commitment to our partner clinics and labs, Progenesis is happy to provide on-site laboratory support for embryo biopsy, cell rinsing and loading and other clinical support, as needed for your lab or clinical staff.

Please contact **Katie Lowe**, Katie@Progenesis.com, to request a visit at your center.

SCIENCE AND INNOVATION

CALL FOR STUDY PARTNERS

Does your clinic SOP allow transfer of mosaic or segmental del/dup embryos?

We would love to collaborate with you! Progenesis has an ongoing study to include prospective and retrospective outcomes from these embryos.

Contact
