THE LABORATORY IMPACT

Progenesis has implemented updated clinical SOPs for the following: Biopsy rinsing and loading Shipping and packaging of frozen tissue. Please contact your account representative today if you have not received these dicuments. We are also offering complimentary onsite visits to demonstrate and review our updated SOPs with you and your staff. Please contact Sheela Ali, PhD, HCLD/TS/CC(ABB), Sheela.Ali@progenesis.com, to request a complimentary visit at your center.

Save the Date for Next Year's GENES Conference!

&
SCIENTIFIC AFFAIRS**

BRAZIL

Physicians from Brazil came to Genes and also our team Progenesis Brazil, it was a unique opportunity to share knowledge and network.

Is your clinic interested in becoming a member clinic in Brazil or Latin Americas? Please contact Angelica Mury via email:

Angelica.Mury@Progenesis.com

Priscila Motta & Dra. Cristina underwent detailed training to bring to Brazil the best of technology in genetic analysis

Angélica Mury gave a speech about our expansion plans and the importance of integrations between all markets.
