Our Involvement

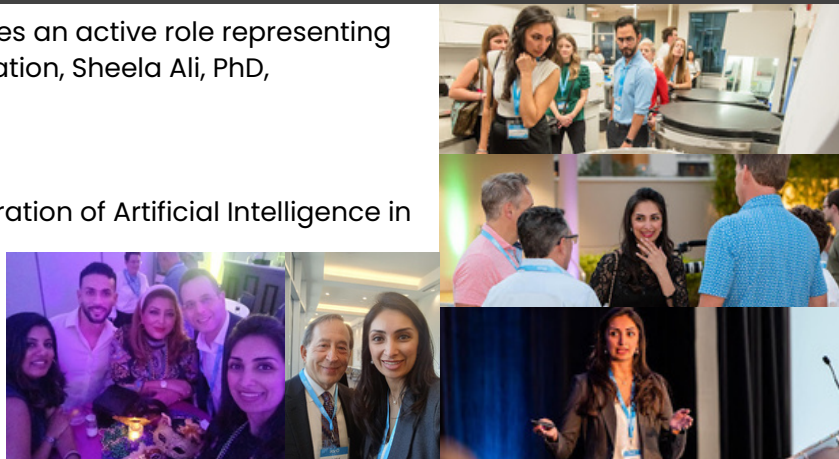

Progenesis is committed to continued education and takes an active role representing the science in the field. Progenesis' VP of Science & Innovation, Sheela Ali, PhD, HCLD/TS/CC (ABB) presented at the following events:

Orlando, FL, February 17, 2023

Progenesis was at the Cryos Symposium to discuss Integration of Artificial Intelligence in Donor Gamete Selection and Benefits in ART

St. Louis, MO, March 1, 2023:

At the St. Louis Reproductive Society to discuss: Managing KPIs to Improve Clinical Outcome, an ABB's approved program.

Progenesis India

Progenesis had the pleasure of participating in the Annual conference of Indian Society of Assisted Reproduction (ISAR) in Bhopal, India between February 3-5, 2023. We hope you had the opportunity to attend our scientific sessions and meet our team at Progenesis Booth in ISAR2023.

We were grateful to sponsor an amazing event in the conference. Thank you ISAR2023 for providing us this opportunity. Many thanks and congratulations to all the Progenesis Team members for making this event possible. We look forward to continuing our mission to democratize access to patient care & help patients start healthy families.

For additional information or to partner with us, please contact Dr. Rajni Khajuria via email:
Rajni.Khajuria@progenesis.com

Progenesis Brazil & LATAM

For additional information or to become a member clinic, please contact Alex Mejia via email:
Alexander.Mejia@Progenesis.com

The Laboratory Impact

As a commitment to our partner clinics and labs, Progenesis is happy to provide on-site laboratory support for embryo biopsy, cell rinsing and loading and other clinical support, as needed for your lab or clinical staff.

Please contact Sheela Ali, PhD, HCLD/TS/CC(ABB), Sheela.Ali@Progenesis.com, to request a complimentary visit at your center.

Progenesis Academy
