THE LABORATORY IMPACT

Progenesis has implemented updated clinical SOPs for the following:

1. **Biopsy rinsing and loading**
2. **Shipping and packaging of frozen tissue**

Please contact your account representative today if you have not received these documents. We are also offering complimentary onsite visits to demonstrate and review our updated SOPs with you and your staff.

Please contact Sheela Ali, PhD, HCLD/TS/CC(ABB), Sheela.Ali@Progenesis.com, to request a complimentary visit at your center.

St. Louis Reproductive Society

Dr. Ali presented at the St. Louis Reproductive Society on 03/01/2023 on "Managing KPIs to Improve Clinical Outcomes"

SCARB- Southern CA Assisted Reproductive Biologists

Dr. Arrach attended the March 14, 2023 meeting to show support and engage in lively discussions.

MARKETING

Progenesis is committed to continued education and takes an active role representing the science in the field.

April 22, 2023-**Madison Embryologists Summit**, Wisconsin. We are engaged in the community and have taken this opportunity to demonstrate the advanced scientific position our unique data portal provides the IVF lab and REIs.

May 10, 2023- **CRB Symposium, Las Vegas**

Our abstract was selected for an oral presentation titled: "Biochemical Pregnancy Outcome is impacted by Biopsy Technician Skill." We also hosted 2 educational roundtables with Drs. Arrach and Ali, highlighting the power of data automation on improved KPIs in the lab.

May 15, 2023- **CART-Denver**

Dr. Sheela Ali will be presenting on Embryo Mosaicism and contributions to this outcome.

MARCH EVENTS

ARTLAB IVF Skills Training Center

Dr. Ali will host a biopsy training workshop day March 23, 2023 to go over technical skills, review biopsy sample size, proper rinsing and loading, cell packaging and PGT results review.

PCRS 2023- Indian Wells, CA

The Progenesis Team participated in the conference and engaged with IVF professionals at the Progenesis hosted Social Event. Thank you to those who attended to show us support.

INTERNATIONAL

INDIA

Progenesis India had a successful, first live, webinar hosted by Dr. Rajni Khajuria at Progenesis Academy! If you missed it, we have the session recorded and available on our Progenesis Academy youtube channel.

For additional information or to partner with us, please contact Dr. Rajni Khajuria via email: Rajni.Khajuria@Progenesis.com

BRAZIL/LATAM

Progenesis hosted a wonderful workshop in Panama City, Panama with an emphasis on biopsy preparation, protocols and logistics.

Progenesis is set to present talks at the RedLara conference in Medellin, Colombia. Our symposium will be held April 29th from 11am-12pm - Featuring talks from Dr. Nabil Arrach and Sheela Ali, PhD.

We are also happy to announce our participation at the CBRH conference in Rio De Janeiro, Brazil. We will host the opening ceremony for the conference with over 200 people in attendance.

Our team in Brazil is also working diligently for our Lab grand opening in Sao Paulo, late May. A BIG Thanks to our team, Priscila Motta, Dr.Cristina Carvalho, Angélica Mury, Roseli Alves and Maria Fernanda.

Is your clinic interested in becoming a member clinic in Brazil or Latin Americas? Please contact Alex Mejia via email: Alexander.Mejia@Progenesis.com

PROGENESIS ACADEMY
